Neovim on the VPS: Ferris Sweep cheat sheet

Leader is Space (right inner thumb). QWERTY base layer. A coloured key starts a group; a Shift variant is marked with a raised arrow.
Hold the left outer thumb for symbols, the right outer thumb for numbers and arrows (Esc is the left inner thumb there). Sft, Alt, Ctl, Gui: hold that home-row key.

Space, then...

Q	W	E	R	T	Y	U	I	O	P
Close quickfix		File tree	Run	Toggle terminal				Only window	
A Sft AI	S Alt Horizontal split	D Ctl Debug	F Gui Find	G Git	H Window left	J Gui Window down	K Ctl Window up	L Alt Window right	' Sft
