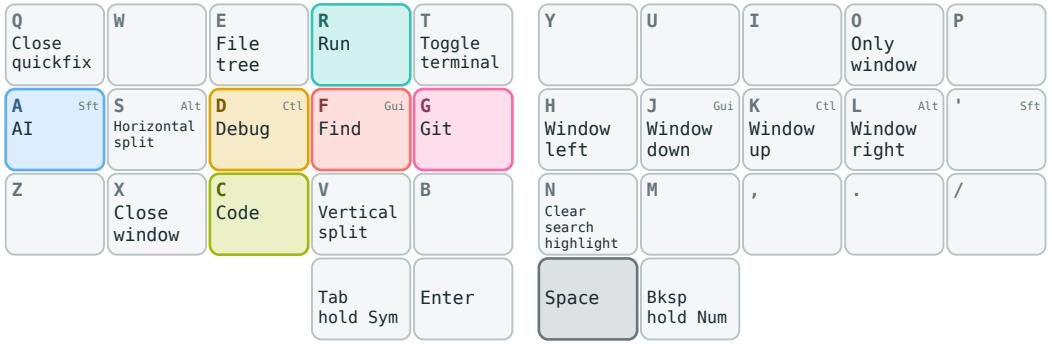
Neovim on the VPS: Ferris Sweep cheat sheet

Leader is Space (right inner thumb). QWERTY base layer. A coloured key starts a group; a Shift variant is marked with a raised arrow.
Hold the left outer thumb for symbols, the right outer thumb for numbers and arrows (Esc is the left inner thumb there). Sft, Alt, Ctl, Gui: hold that home-row key.

Space, then...



Other keys

t	**C-h**	Terminal window h
t	**C-j**	Terminal window j
t	**C-k**	Terminal window k
t	**C-l**	Terminal window l
